DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

See the attached Office communication regarding non-responsive amendment.

Response to Amendment

1. The reply filed on 10/15/2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Amendment to the specification is incorrect. Particularly, the replacement paragraph for the paragraph that begins on Page 37, line 14 and carries over to Page 38, line 19 is not consistent with the original paragraph that begins on Page 37, line 14 and carries over to Page 38, line 19. That is, it is not the same paragraph. It appears that the applicant intends to replace the paragraph on Page 39, lines 10-13. Therefore, appropriate correction is required for the instruction, which unambiguously identifies the location to replace the paragraph with the replacement paragraph. See 37 CFR 1.111 and 37 CFR 1.121(b). Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Conclusion

2. Any inquiry concerning this communication from the examiner should be directed to Qamrun Nahar whose telephone number is (571) 272-3730. The examiner can normally be reached on Mondays through Thursdays from 8:30 AM to 6:00 PM. The examiner can also be reached on alternate Fridays.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kakali Chaki, can be reached on (571) 272-3719. The fax phone number for the organization where this application or processing is assigned is (703) 872-9306.

Art Unit: 2124

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (703) 305-3900.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
